## Presidents Report 2011

In looking back at the 2011 season we should all be proud of what the Club has achieved. Six of the seven teams qualified for the final series and the 3rd Grade Colts team got through to the finals only to be beaten by the weather.

A big thank you must go to the players for the effort. Our player numbers were up on last year and I look forward to that continuing into the 2012 season next year. My congratulations go to all the players who were recognized at our season ending function and of course our "Team of the Year".

The club is lucky to have such a committed coaching group and my thanks go to all of them, a difficult job done with diligence and humour. The teams cannot perform without the support staff that help the coaches week in week out. Thank you for your help.

Our numbers at game day continue to improve albeit that we "lost" two home games due to bad weather. Our fans are our biggest sponsors and it is great to see the ongoing community support for the club.

To our sponsors, thank you for your ongoing support, and we look forward to your support continuing next year.

The financial position of the club was in a holding pattern in 2011. The issue of the residual debt to the Tax Department is being addressed and you will see that coming down in 2012. Whilst revenue was up there was some attempt to reduce our costs but not at the level we need to ensure that our debts are reduced which will be fixed in 2012.

It is with sadness that I report the death of Bill Paterson during the year. Bill and his father before him were great supporters of the club over a number of years and his happy smiling face will be missed when we play at the oval.

This is my final year as club President. I would like to Thank to all those who together have made the Club a stronger Community asset. Club rugby faces may challengers as we move into 2012 and I know that David and his committee have the energy and focus to ensure that our Club will still be a force in Sydney rugby.

**Mark McKenzie**

## Club Captains Report 2011

It was with great pride I accepted the offer of Club Captaincy earlier this year. I was extremely humbled that I was now the so-called spiritual leader of the club that has played such a large part in my life and of a club that has produced not only great players but great people.

With the assistance of the committee I immediately identified that ensuring a strong club culture was by far and away my most important role as club captain.

Manly is always going to be an attractive place for blokes to come and play rugby, whether it's the beaches, the pubs, the women, it's a pretty special place. Our location has and always will be our greatest asset and for this reason year after year our club attracts a wide variety of players from all over the world and all different walks of life. Look at our 2011 player roster. We had Aussies, Kiwis, South Africans, Argentineans, Japanese, Samoans, Tongans, Maoris, Americans and Irishmen. We've got chefs, lawyers, plumbers, salesmen, investment bankers, brickies, chippies; servicemen the list goes on.

So with such a diverse mix of men how does one create a strong culture?

On the field, Tim Lane has been instrumental in helping establish a strong culture. Since day 1 at pre-season Laney adopted a "one in all in" mentality and that reflected well in our results in 2011. Sure it hasn't been easy, with the amount of Super Rugby players in the Marlins ranks plenty of players can easily get upset at being dropped or playing out of position but when you're in a winning and successful environment personal disappointment is quickly cast aside for collective gains.

Congratulations to all of the boys who received awards at Presentation night. I am particularly happy with the annual selection of the Marlins "team of the year". May this tradition continue for a long time to come!

In 2011 the boys in blue finished 3<sup>rd</sup> on the Club Championship ladder, a fantastic effort but one in which the boys know we can improve on. There is no reason we can't compete for the Club Championship year in year out. The northern beaches harbours some fantastic rugby talent and if you look at the success of our juniors and colts sides over the past few years it's good to see this talent starting to progress through to the grade ranks. The emergence of schools like St Paul's and St Augustine's as rugby powerhouses also bode well for the club and it is of paramount importance that this locally nurtured talent become future Marlins.

I would like to congratulate all of the colts and their coaches on their performances this year. I was lucky enough to see some of the fantastic rugby played by all colts' sides in 2011 and I wish every success to both boys who will remain in the colts programme and to those who progress into the grade ranks in 2012. I would also like to wish every player in the colts programme who will not be continuing with rugby all the best in whichever direction they intend to go and that they will always be welcomed into the club environment in the future.

Next year the Club Championship will have even more bearing on the competition with finals positions in all grades based on our performance as a whole. Every year this has got to be the single most important aim of our club, so let's give it a real shake in 2012.

On the social side of things 2011 has been an absolute hoot and 2012 promises to be bigger and better!

Whether it was a casual few at the Bowlo after matches or a substantial bonding session, every Marlin in 2011 has gotten to know their team mate just that little bit better. It's important that the club regularly socialises together as a group and when the guy in 4th grade can walk up to a star 1st grader and say something cheeky just for laughs you know you are halfway there. We have enjoyed some cracking club nights in 2011 "Rugby Social Night", "Back to Round Bar Night", "Ladies Day" "Rugby World Cup/USA 2012 night" etc. I want to ensure in 2012 we have an even better social agenda.

In October 2012 the Marlins are headed to the USA in what is a 30 year reunion of the famous 1982 tour. I have been told by many about how great the 82 tour was and I don't know if it's a coincidence but we all know what happened at Manly in 1983. The tour promises to be a cracker with plenty of players already putting down their deposits and getting started on fundraising. I want to thank Andrew Davis, Leif Olsen, Mark Maloney & Will Herborn for all of their tireless efforts in getting this idea off the ground.

I also want to thank everybody who makes this club great for making 2011 so enjoyable. That's the players, coaches, managers, trainers, water boys, physios, etc. The club could not continue to be the great place it is without all of your tireless efforts.

Thank you also to outgoing President Mark McKenzie and the board for all of their guidance and support during 2011.

The Bergelin's would also like to express our sincere gratitude and appreciation to the entire club for the amazing support we received during the difficult loss of Bernie. It will never be forgotten.

In closing, 2011 has been a most enjoyable year for me and I hope the rest of the club. I look forward to a bigger and brighter 2012 and I will see you all at Keirle Park for a bit of pre-season!

Wishing you all a safe and happy Christmas,

***"Bergo" Anthony Bergelin***

***Club Captain***

# First Grade Report 2011

Overall a very successful season for the Club with 6 out of 7 Teams making the Semi Finals.

First Grade went one step further than the past few years by qualifying for the Major Semi, finally losing to Sydney Uni in a tough match.

It was a very frustrating year in regards to selection as we were constantly interrupted by Super 15 squads, usually not knowing who was going to be available to us until the Wednesday of each week.

We started the season with 3 good wins – especially our home game against the Rats which we won 55 – 12. We then had 2 losses in a row to Eastwood & Easts.

By the end of the 1<sup>st</sup> Round we won 7 & lost 4, with the losses to Randwick, Southern Districts & Easts all games we should have won – especially Randwick scoring 5 tries to 3 but unfortunately missing too many kicks at goal!

The 2<sup>nd</sup> Round we won 9 of our 11 matches only losing to Eastwood & Sydney Uni.

The Highlight of the year was probably beating Sydney Uni at Manly Oval in Round 1.

Injuries and guys heading off overseas didn't help our cause at the end of the year and I am positive that if we had the likes of Robbie Coleman, Jono Owen, Greg Petersen, Lui Siale, JP Du Plessis, Chris Yarrington and Brian Sefania available we would have taken that last step to the Grand Final and who knows once you are there?

Our Player of the Year was Caydern Neville and I am sure he will go on to bigger & better things in the next few seasons.

Congratulations to Eddie Aholelei and Caydern Neville (Melbourne Rebels), Elvis Toane and Benny Seymour (Western Force), Tevita Matusela and Greg Petersen (Waratahs) and Dylan Sigg (Brumbies) for their new contracts and wish them well for the Coming Super 15 season!

As well as these guys we have Jono Owen, Anthony Hegarty, Michael Hooper, Robbie Coleman, Andrew Smith with the Brumbies, Willie Ripia with the Force & Luke Jones with the Rebels. We should add Cliffy Palu to the list and you can see we have been hit pretty hard by Representative squads, but we should also be very proud that the Club has had some input into their development over the years!

BJ Hartman has also been contracted with the Australian 7's Team. Jordy Reid, Mailletoa Hingano, Alex Northam have all been selected in the National Academy.

2012 will be another challenge for us as the Brumbies have decided that all their players have to play in the Canberra Competition. We hope to see our players that are not involved in match day 22's of the Waratahs and Rebels (hopefully). The guys with the Western Force we will only see at the end of the Year.

We have some promising Colts coming up into Grade and our 2<sup>nd</sup> Grade Team had a great year so a lot of them will get opportunities again in 1<sup>st</sup> Grade and with a few new Players already here & some more expressing interest to join, I am sure we will be very competitive again in 2012 .

Thank you to all the Team Managers who assist during the Year, to all the Medical Staff & the Body Coach for his work in Conditioning of Players. Also to the Committee and our Sponsors who help get us onto the field. Finally to all our Supporters who turn up in great numbers especially at home! We look forward to seeing you all again next season.

**Tim Lane**

## Second Grade Report 2011

The 2011 season proved to be a very successful one. The goal for the season was to bring the young players on and give them a platform to improve as well as return some pride after a disappointing 2010. Although the Semis didn't finish as the group would have liked, it does not define the quality season the team had and the players can all be very proud of their efforts.

The return of veterans Andrew Davis, Gareth Inches, Ryan Melrose, Joe Christie, Marshall Milroy, Neil Meyer and Anthony Bergelin added some starch to a talented bunch of youngsters. There were several highlights to the season including the gutsy away victory to top of the table Eastwood, the last minute victory to Easts at home after a weekend double header and a win/bus trip double at Southern Districts.

The emergence of several younger players ensured that there was never a dull moment on the field and off. The camaraderie amongst the group and the quality of person within the side was outstanding. The season could best be defined by the bus trip to Southern Districts followed by a night at Northies, Cronulla. A night that none of the group is likely to forget!

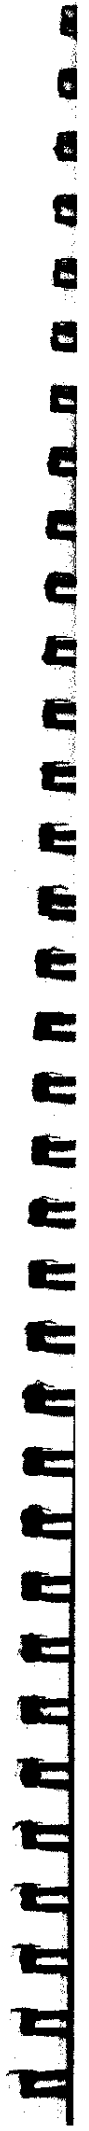

Rarely would such a talented group of young players have come through the club at the same time. Within this second grade side throughout the season was upwards of a dozen future regular first graders and potentially several Super Rugby players. The progression of these players over the coming years will carry the club in a golden era.

Thanks to all the support staff. Without Danny Hogan, Andrew Goggin, Hugh Thompson, Peter Alley, Peter Felton, Paul Hartmann, Alison Donnan, Alphabet, Matt Brown, Bruce Stevenson, Ian Bonner, Russell Mackie, John Hinton and Micky Deacon (sorry if we forgot anyone). The club is lucky to have you all involved.

The major theme running through the season was enjoyment and only the players themselves can create that atmosphere and for that we thank you.

Bring on 2012!

***Matt McGoldrick and Dan Brown***

## Third Grade Report 2011

At the start of the season there were a number of unknowns on what the season would bring, especially with two new coaches and the majority of players having their first year out of colts. We soon learnt that we had a team that was youthful, talented, willing to learn new skills and determined to prove they were ready for grade.

With developing our playing patterns we realised we had a team that lacked speed in attack, but did have an advantage with a very mobile forward pack so we based the majority of our attack two and three passes from the ruck. As the team did have natural aggression and will to win, we decided to work hard on our defence patterns and make this our strength for the season.

There were some outstanding performance during the year, three games do stand out:

East: This win came from determination and a will not to give in, with a number of yellow cards and one red card against us the team stuck together to put in an outstanding defence effort to win the game.

Uni: Although we may have lost this game, it was a game that any coach would be proud of from their team. With an earlier fight back in the second half to put ourselves within seven points, the team then had to hold out a well drilled Uni side and defend our line for over ten minutes. The final play came from a counter attack from us only just falling short from scoring. This game gave the side the confidence that they could compete with the best in the competition.

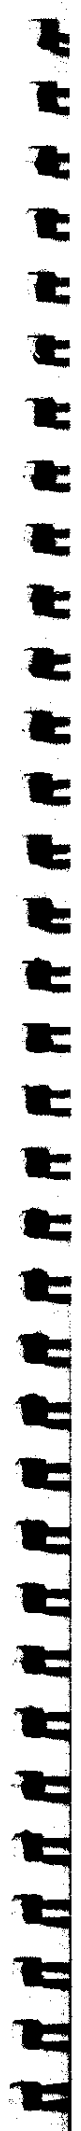

Randwick: This game was the last game of the round, and was against the competition leaders on their home soil, we also had a few players playing out of their usual positions. This was a low scoring game and we did come away with a hard fought victory, won from tough forward play and an unbreakable defensive line.

With a couple of narrow loses to sides during the year that were positioned below us on the table due to inexperience the team finished fourth on the table.

We prepared well for the semi-finals, although it was a tough game against a big forward pack from West Harbour the team seemed to be in control and were in front. With seconds to go West made a break and crossed the line under the post to draw equal, the full time bell went leaving West to convert their try to steal the win. This was heart breaking for the team to watch and a very tough way to end the season.

There were a number of players during the season that did step up their performance and did get their well-deserved chance in second grade, I have no doubt that if these players continue to put the work in they will be the future first graders of our club.

***Cameron Murphy/ Tumai Edwards***

## Fourth Grade Report 2011

The 4<sup>th</sup> grade season of 2011 was up and down like a yo-yo, throughout the year the potential within the group was always evident however it was inconsistently transformed into results. We got off to a good start with a few impressive wins; however we couldn't maintain the consistency throughout the year. We were always able to stay in touch with the top six but fell agonisingly short, missing the finals by just two points.

There was a true international feel to the team this year, we were represented by England, Wales, New Zealand, America, Argentina, Japan and of course a few Aussies. This caused a few amusing and embarrassing moments with communication, however there was a great spirit within the group which made the year an extremely enjoyable one.

The highlight of 2011 was definitely our final game against Randwick at Manly Oval, the team played to its full potential to defeat a top six team and finish the year with a bang.

The lowlight was our defeat to Parramatta on the back ovals of 'death valley', the defeat came back to bite us considering the amount of points which we missed the semis by.

Wally Organ finished his year as he started it, with 3 weeks of consecutive yellow cards. This aside he was the heartbeat to the 4<sup>th</sup> grade team throughout the year and despite his troubles with the referees Wally went on to win the 4<sup>th</sup> Grade best player.

The 4<sup>th</sup> Grade team would like to thank all the volunteers that helped out all season.

*Leif Olson*

## Manly Colts Report 2011

Manly Colts had an excellent 2011 season achieving the following results and highlights.

- 2<sup>nd</sup> in the Colts Club Championship
- All three grades finishing in the Top 3 (1<sup>st</sup> Grade -2<sup>nd</sup>, 2<sup>ns</sup> Grade – 3<sup>rd</sup>, 3<sup>rd</sup> Grade – 3<sup>rd</sup>)
- 3<sup>rd</sup> Grade playing in the Grand Final
- 1<sup>st</sup> Grade defeating Warringah to win the Bayfield Cup
- 1<sup>st</sup> Grade defeating Sydney University for the first time in 10 years
- Reece Hodge and Vinny Baranyi representing Sydney and NSW U17's
- Alex Northam representing Australian Schoolboys and Australian Sevens
- Malietoa Hingano representing Australian U19's Academy
- Alex, Malietoa, and Jordan Reid being selected in the National 20's Academy

The season was a result of the hard work and superb effort from numerous people within the club. The players were committed and enjoyed training and the culture and attitude of the Colts this season was a huge factor in its overall results.

These results were excellent in terms of the improvement from the previous season however it should not be deemed as being a successful year. Despite the above achievements Manly Colts came away with no silverware.

Manly Colts will lose 26 players to Grade next year. We have been recruiting heavily in the offseason and retain many experienced and outstanding players for 2012. The foundations have been laid for future success and with the support of the Club and the Board we believe that Manly Colts 2012 will truly be a successful year.

Many Thanks to all the coaches, managers and sponsors who made 2011 such a great success.

**Graeme Hughes**

## 2011 Presentation Night Awards

### **COLTS:**

#### **Best & Fairest:**

First Grade - Jordan Reid

Second Grade - Adam Crerar

Third Grade - Jake King

**Most Improved** - Lachlan Beatty
